

Student Volunteer

Niagara Region January 2015 Edition

Your guide to
volunteering opportunities

Student Volunteer is a bi-annual guide that profiles volunteer opportunities for high school, college and university students. Distribution is unique to each school requesting copies. It has been shown that when students have a hard print copy in front of them, they take notice. **Student Volunteer** merely enhances online information.

Student Volunteer is handed out completely free of charge. We are counting on support from the business and professional community, by taking some space in the guide. Through your support, this guide can be published at no cost whatsoever to either Niagara College or the students. Please support! Any size space will be greatly appreciated.
